

My Summer

Rosen Hristov, 7a

This summer I went to Hisarya with my friends. Hisarya is a very beautiful town. It is characterized by its 22 springs with different physicochemical characteristics and temperature and proven medicinal qualities.

Hisarya, Bulgaria

Hisarya is situated at an elevation of 368 m. Located in the outskirts of the Sredna Gora mountain range, it has a very mild climate and over two dozen mineral springs, which are visited by Bulgarian and foreign tourists.

The town's population is 7,691. The population of the municipality is approximately 15,000.

Hisarya means fort or castle in Turkish.
