

My Summer

By Veronika Iordanova 7a class

When the summer started my class and I went to a school trip. We went to Sunny beach , Nesebar and Burgas.

We went to a hotel named Kokiche. I was in a room with my mother , Martina's mom , Martina and Sesilia.

I spent the rest of my summer at home. Sometimes I went out with Alexandra and her sister.

I like reading manga on my tablet when I have free time so I read about 26 mangas.

My summer was great and I can't wait till next summer.

Thanks for reading

Goodbye
